Of all sad words of tongue or pen, The saddest are these: "We may have Ben." Ballway Taxation in Connessee. The case of the Louisville and Nashville railroad against Austin, county judge of roads, was decided by the supreme court last Saturday. H. M. Austin, judge of the county court of Sumner county, having assessed the Lokisville and Nashville railroad for taxation for the years 1873 and 1874 for all purposes, the railroad company applies for obtains a supersedeas against the levy The railroad is located for some thitrythree miles through Sumner county and the county judge assesses the thirtythree miles at six hundred seventy-five thousand dollars for 1873, and at five hundred thousand dollars for 1874, the taxes for the two years amount ing to fourteen thousand eight hundred and fifty dollars. Upon the trial of the cause below, before Judge

Guild, he dismissed the petition and the railroad company appealed. Messrs. C R. Head, Wilson and Vertrees and Ed. then is now, And when the low is high, and when the high Baxter appeared for the company, and . W. and B. F. Allen, J. J. Turner, J. W. The school Question.

during the last year, wondering if he of twenty to four of the members of the Italy to Malta, Jerusalem, Jericho, or could not come in again through that common council, an answer is given to some other ineignificant point, zens asking the adoption into the public should keep on writing abusive letters school system of the parochial free schools new maintained by the Catholic gregations of the city. The response of the council may not be such as the memorialists have wished, but it seems NEW FIRM. to us to be the only one possible in the rase. The committee rightly declare he question raise t to be, so far as they are concerned, "one purely of legal power and anthority." They expose the icture of law on which the ols of this State rest, and show tha public schools of Buffalo are eneral statute. Under that statute the city is probibited from raising money by taxation for any schools other than its own public schools. That the schools established by any religious denomination for denominational or religious purposes are not public or common scho a the legal sense, has been affirmed by the supreme court of the State. It seems to us that the opinion of that court, as sited by the school committee, is abso lutely conclusive on the subject. Speaking of a claim preferred on behalf of cerain schools maintained in 1851 by the Roman Catholic orphan asylum Brooklyn, the court said: "If we are to Justice Sneed delivered the opinion of the court, and his opinion, which is a very learned one, and evidently prepared with great care, decress to the following the court said: "If we are to suscein such a claim as this in behalf of actilities are such that we know the compete with any house in this care parties favoring us with their patric actions as well as in the line of goods as well as in the line of good Protestant denominations who may desire to propagate their own views at the ounty to the Cumberland and Ohio public expense. We do not intend to speak disparagingly of these institution In their proper sphere they are worthy But we are unable to discover any good 2.
